

# ***General Club Rules***

- 1. You may train your dog year around, seven (7) days per week. No reservation is required.**
- 2. No driving of any vehicles in the fields other than during field events (ATVs) and field maintenance.**
- 3. Guests are always welcome. However, club members are responsible for their guests while utilizing club property. Sponsored guests are limited to one (1) visit then are required to join to further use club grounds. Members may have “training helpers” to assist them while on club grounds. Training helpers must be accompanied by a club member, may not bring their own bird dogs and must sign a liability waiver in advance. See #4 below.**
- 4. All guests must sign a liability waiver in advance of their visit. Member is responsible to have guest complete form. Executed form should be turned in to C. J. Kausel. Scan and email to [huntsmartpro@gmail.com](mailto:huntsmartpro@gmail.com) or mail to 7954 East County Road 18, Johnstown, CO 80534. Waiver valid for one calendar year for training helpers or casual guests. Parent or guardian must complete youth liability waiver.**
- 5. Members are encouraged to train their dogs with other club members. If you need professional help, for pointing breeds, contact C. J. at [huntsmartpro@gmail.com](mailto:huntsmartpro@gmail.com). For flushing and retrieving breeds, contact Shawn McElroy at [ltcmcelroy@hotmail.com](mailto:ltcmcelroy@hotmail.com). If you are looking for professional training requiring the boarding of your dog, contact CJ or Shawn for references.**
- 6. No member, other than C. J. Kausel, or his guest shall conduct dog training for payment on club grounds.**
- 7. No alcoholic beverages will be consumed during training or field events.**
- 8. Field will not be cleaned (hunted) after a trial until all braces or runs have been completed.**
- 9. All trial entrants are responsible to know the rules for each type of field event. They are posted on the web site and included in your member packet. Please keep them for your ready reference. Also, they will be on the main scoreboard at all field events.**

**10. Conducting a field trial requires many tasks; ie set up, bagging birds, bird planting, judging, running the scorer's desk, and clean up to name a few. Members are asked to volunteer to help with these tasks. If we all pitch in the trial runs smoothly and on-time.**

**11. Members who chair a trial or provide ATVs receive discounted trial entry fees.**
