

**Training Day Registration  
Form  
September 20, 2025**

**Club training days are designed to help our members with training in order to improve the performance of their dog(s) in the field. Members can learn about our field trials to feel confident joining in.**

**The day will start at 7:30 am. We encourage registrants to indicate specific areas of interest so they can be addressed during the session. The class will be divided into two groups: flushers and pointers.**

**The class will be conducted by club members who have a wealth of experience training their dogs.**

**Cost for each dog is \$50 and includes three (3) chukar, use of training equipment, clubs homing pigeons and lunch. Extra chukars can be purchased if ordered at least three days before the class. Payment for the event must be received by September 15th. Please register and make payment online, [RMTSDC.COM/Entry Forms and Rules/Training Day Registration](https://RMTSDC.COM/EntryFormsandRules/TrainingDayRegistration).**

**No refunds for cancellations made within three days of the class. See the attached schedule for the day's activities.**

**NOTE: Some training equipment will be provided. However, please bring your training equipment as well.**
