

Training Day Registration Form

Club training days are designed to help our members with training in order to improve the performance of their dog(s) in the field. Also, members can learn more about our field trials so they feel comfortable participating and enjoying the fun.

The day will start at 8 am. We encourage registrants to indicate specific areas of interest so they can be addressed during the session. The class will be divided into two groups; flushers and pointers.

The class will be conducted by CJ Kausel (pointers) and Shawn McElroy (flushers). Also, other club members, who have a wealth of experience training their dogs, will be assisting. Also, we will be conducting a clinic covering our club field trials.

Cost for each dog is \$50 (\$60 for registrations after September 7th) and includes three (3) chukars. You may elect to purchase extra chukars. They must be ordered with your registration and paid with registration. Please pay on-line at RMTSDC.com/entry_forms_and_rules. Scroll down to Training Day Registration. No refunds of cancellations three (3) days or less prior to the class.

*Training Date: September 21, 2019 Both Sessions _____ AM Session only _____
PM Session only _____ Complementary Lunch _____*
